BRISTOL, VA., February 19.—The explosion of a lantern early to-day at the plant of the Federal Dyestuff and Chemical Company near Kingsport, Tenn., set fire to a chemical tank and threatened several buildings with de-struction. Heroic work on the part of the company's employees prevented

PETROGRAD, February 19 (via Lonion).—The semioficial news agency
fyives out the following:
"Prince Oscar (fifth son of Emperor
William), was wounded a few days ago
while making an inspection in front
of the Russian positions at Smorgen,
n the Minsk district, according to German prisoners. The value of the buildings was damaged, according to a telephone message from
prank P. Summers, superintendent of
the plant.
First reports received here were that
the entire plant, which is valued at sevceral millions, had been destroyed. The
company, which manufactures pieric
acid, a base for high explosives, is a
Delaware corporation headed by A. B.
The value of the buildings was damaged, acinsted the State to make the approprank P. Summers, superintendent of
the plant.
The itoard of Supervisors of Henrico
County, a number of clizens and the
school authorities have agreed to contribute to the cost of the project, and
about \$10,000 is expected to be secured
in this way, making the total cost \$2.2.
